

Creative Action Plan Template

- 1 What is the problem, need or situation are you addressing?
- 2 What are the outcomes you are looking for?
- 3 What strategic and creative action or activity can you take that will support you to achieve your goals? What tasks are needed to accomplish it?
- 4 What specific demands or action requests can you make to mobilize support from the community (i.e. specific commitment, pledge, participation, attendance, action, petition, etc.)?
- 5 Who is your target group? Who should be invited? Who should be involved in planning?
